

Florida State Primitive Baptist Church School

Dr. James H. Chester, President

Ligonier Academy

Ligonier Academy of Biblical and Theological Studies is everything Ligonier Ministries stands for and is a natural outgrowth of decades of teaching Christians to think deeply, critically, and obediently about every aspect of faith by understanding the riches of Scripture. For we know that when the Bible is taught clearly, God is seen in all of His majesty and holiness and hearts are conquered, minds renewed, and communities transformed.

Would you like to **improve your ability** to interpret scripture accurately and discover meaning behind difficult passages? Ligonier can help you learn how to apply God's Word to your daily life. These courses are designed for Elders, Leaders and Sunday School Teachers and most of all our articles of faith are the same as Ligonier's doctrine.
