

Conventioneers:

Thank you for your continued support of the Florida State Primitive Baptist Convention. We are working around the clock preparing for the upcoming Convention. It is our goal to make your visit enjoyable. Thanks and appreciation to Elder Dr. James Chester and the East Florida Delegation, as host, for their planning and implementation efforts toward the 2019 Convention.

Important dates forthcoming:

March 15 - You have less than a month to pre-register for the State Convention. We need you to register by the March deadline so that we can make adequate plans at the hotel during our stay. Our hotel block is sold out. Anyone needing assistance with their reservation should contact sister Angela Gray. We have a waiting list for those who would like to arrive on Monday; however, it is limited, so give her your name early.

Should you have any questions or need any assistance with completing the Church, Individual, Mortuary and/or Vendor Forms, please email me your name and phone number. A staff person will call you expeditiously to assist you. These forms are found on the www.fspbc.org website.

This year will be the first year for the Presidents Gala. I am asking that we dress in formal attire. I've chosen black with orange accessories as the colors.

I am appealing to each of you to support the President's Circle and register by the March 15th deadline. To show my appreciation for your support, you will receive VIP treatment and amenities. Please don't think that any are above all others, this is just to show appreciation for your support.

Remember no tickets will be sold for food functions at the Convention, as we have to give the hotel guaranteed numbers before arrival.

March 18 - If you have handouts for the Convention that you would like in our Convention bags, please get them to me by March 18 or email them to fspbcinc@hotmail.com. This year, we will not be reimbursing for printing of Convention handouts. A copier will be available on site as early as Monday morning along with staff to make copies for you.

March 20 - The Convention Registration and Finance staff operating hours will be posted on the website by March 20th. The final Convention Program will also be posted to the website by March 20th.

Please share this information with others in your congregation.

Looking to see you soon in Palm Beach. Remember his Grace is Sufficient.

Dr. Willie J. Williams, President
